**Agreement:**

I am aware that cats can live to 15 - 20 years and am prepared to make a lifelong commitment to my adopted cat(s)/kitten(s). I am aware that it takes patience and care to properly introduce cats to a new home, with or without existing pets, and will assure my new cat(s)/kitten(s) has/have a safe and loving environment. If I find that I cannot keep the cat(s)/kitten(s) that I've adopted, and cannot rehome the cat(s)/kitten(s) suitably, I will contact CFF for assistance with rehoming.

Any time prior to adoption, if we determine it is in the best interest of the cat(s)/kitten(s), CFF reserves the right to cancel the adoption contract. If we choose to cancel the contract, your application fee will be immediately and fully refunded.

On behalf of CFF, thank you for filling out this application and for agreeing to these terms. We are committed to finding the best homes for our rescue cats and kittens. This information helps us make the best possible matches!
